Name \_\_\_\_\_ Grade \_\_\_\_\_

Varsity Sport \_\_\_\_\_ Date \_\_\_\_\_

### Eligibility Requirements:

To become eligible for varsity or junior varsity, a student must have met the following requirements at the end of the appropriate grading period\* with:

1. A cumulative GPA of 2.0
2. No F 's in any class.

\*Students typically become eligible to play varsity or junior varsity only during the tryout period. Exceptions, such as late arriving students, must be approved by the Academic Committee. If the student is ineligible at the grading period below, he/she cannot become a member of the team at any time during the season nor play in any games. Eligibility is based on the following grading periods:

Volleyball	2 <sup>nd</sup> semester Grades of previous year + cumulative GPA (Summer grades can replace poor grades for identical courses)
Basketball	1 <sup>st</sup> Quarter grades of current year + cumulative GPA
Baseball/Softball	1 <sup>st</sup> Semester grades of current year + cumulative GPA

### Participation Requirements:

To participate in varsity or junior varsity games, the team members must fulfill the following:

1. A class grade may not drop below a D-. If a grade drops below a D- at the end of any grading period (progress reports, quarter or semester grades), the student is automatically excluded from participating in the **next two schedule games** after the grade report is published, and he/she is also ineligible until the grade is restored to at least the D- level. This change in grade status must be submitted to the Registrar in writing by the teacher and must be accomplished before 4:00 p.m. the day before a scheduled game day. Team members who are ineligible for games will maintain team status but may not play in any varsity or junior varsity game.
2. If a student loses team eligibility for any reason, he/she may not travel with the team to away games.

**To the best of my knowledge I meet the eligibility requirements for varsity. I understand I must maintain the attendance and academic requirements listed above. I also understand that I am honor bound to remove myself from varsity play if at any time I have knowledge that my grades or attendance do not meet the stated requirements.**
